MY FALCON KIT . . . 1978

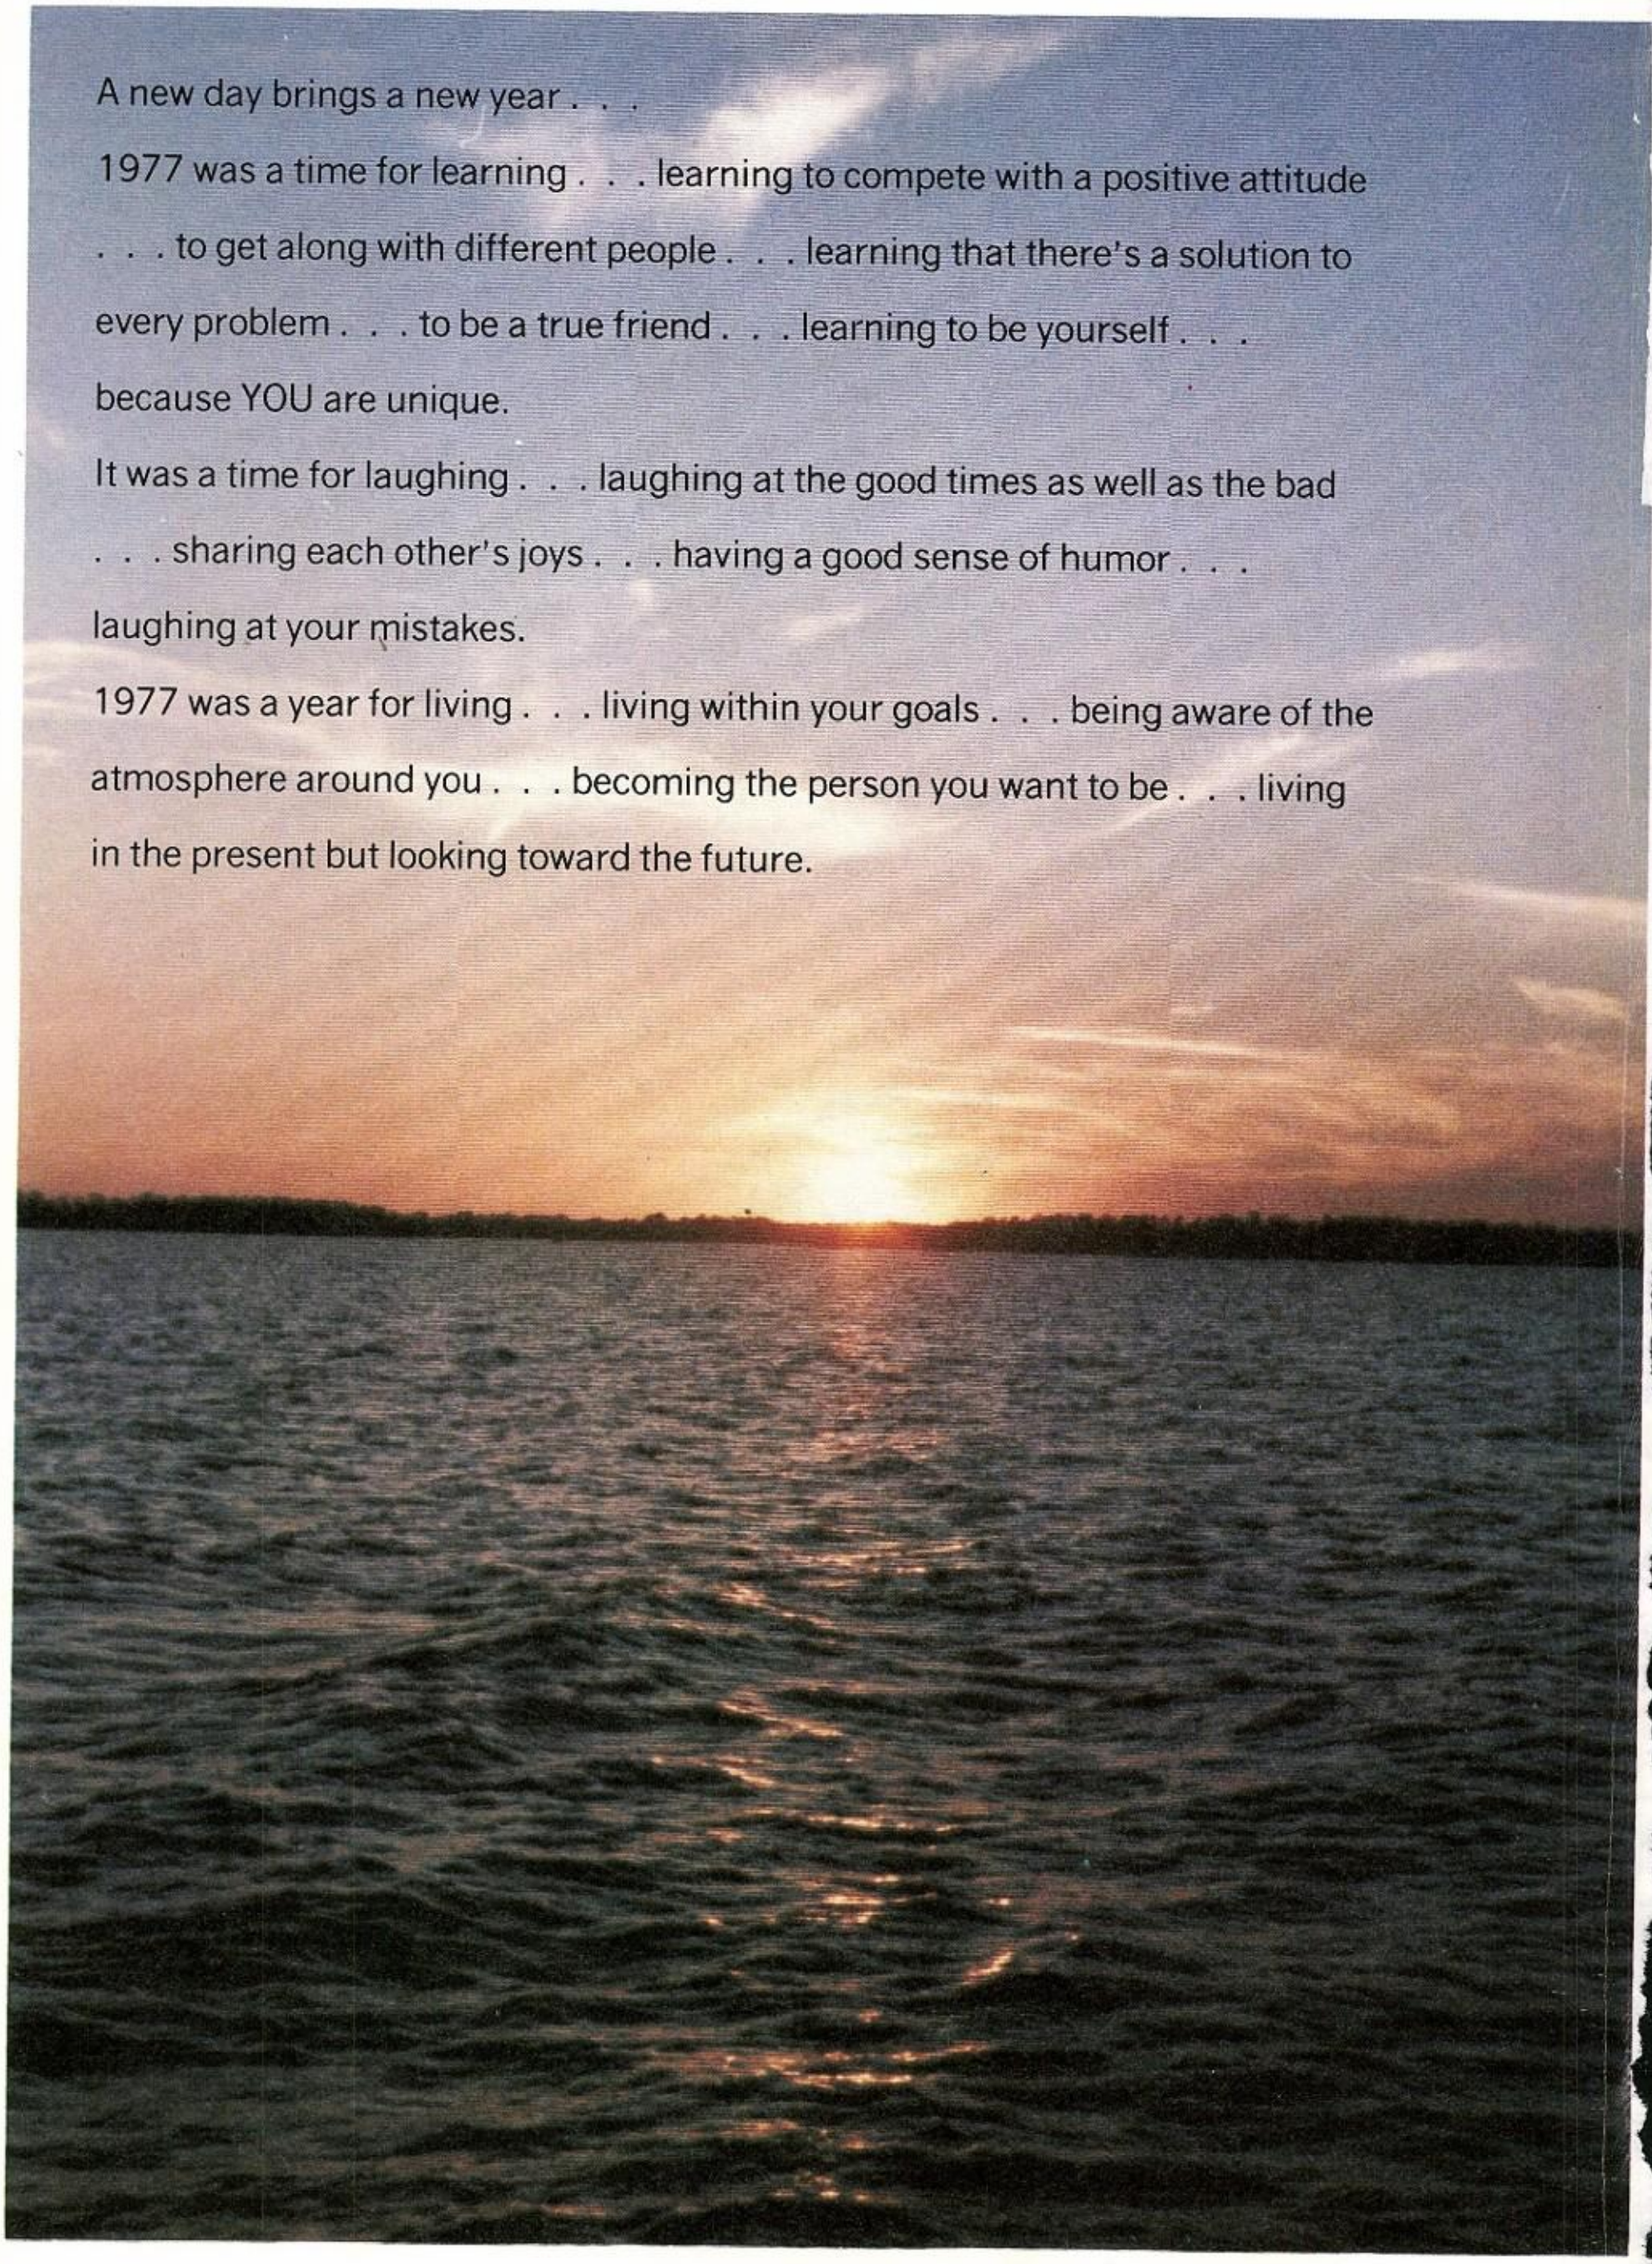
Lake Dallas,
Texas 75065

A new day brings a new year . . .

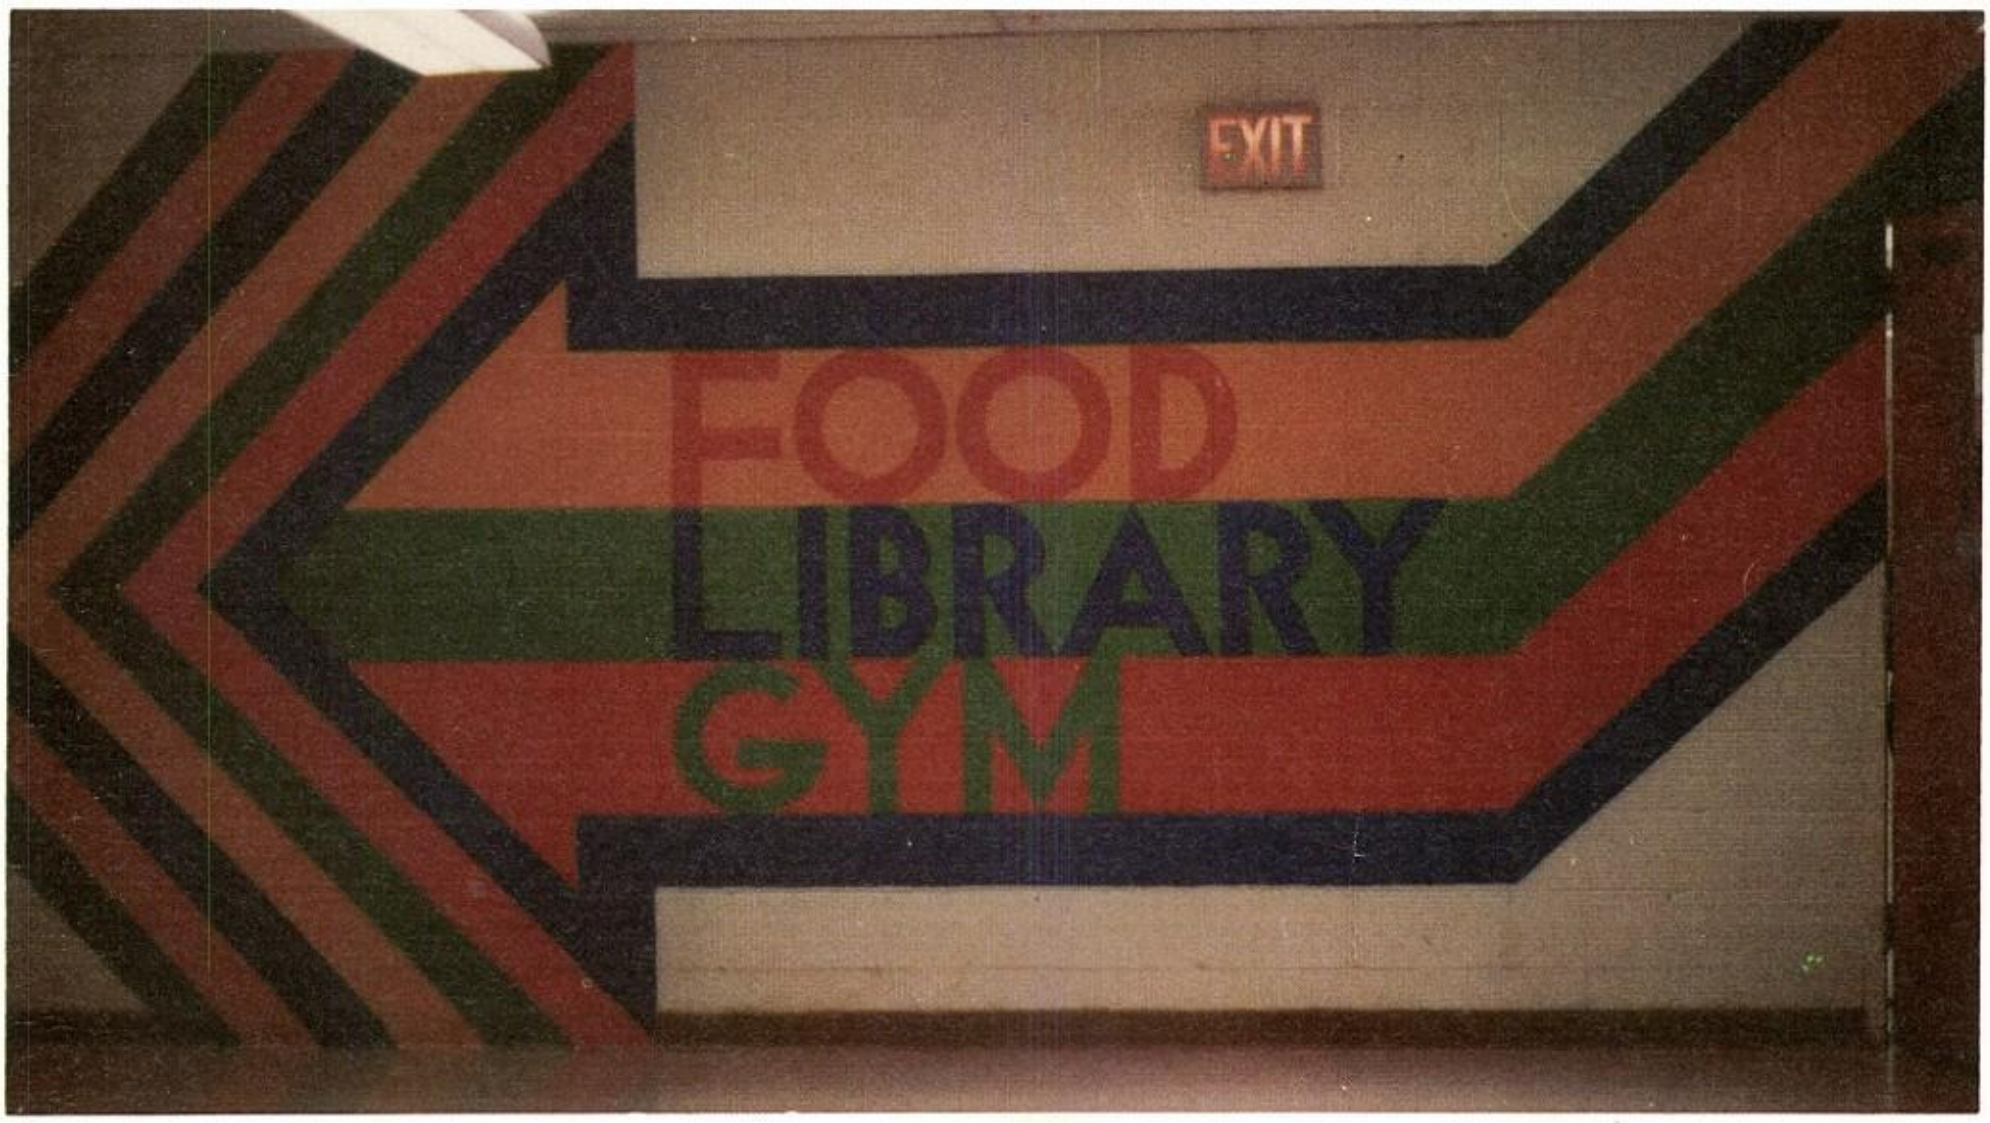
1977 was a time for learning . . . learning to compete with a positive attitude . . . to get along with different people . . . learning that there's a solution to every problem . . . to be a true friend . . . learning to be yourself . . . because YOU are unique.

It was a time for laughing . . . laughing at the good times as well as the bad . . . sharing each other's joys . . . having a good sense of humor . . . laughing at your mistakes.

1977 was a year for living . . . living within your goals . . . being aware of the atmosphere around you . . . becoming the person you want to be . . . living in the present but looking toward the future.



Traveling the road to school is the way to more than just an education . . . it will also lead to the sound of band vibes . . . falcon teamwork . . . and from our common starting place, our roads will eventually follow many directions . . . but we will always think of Lake Dallas as home.



Tomorrow Changes Today's Tradition

TOP RT: Senior boys put the final touches on the Homecoming bonfire.
TOP LT: Kim Nelson and Susan Howard give the ole traditional peace sign.
BOTTOM: The senior class painted the "BIG" sign to get spirit up for the Jacksboro game.

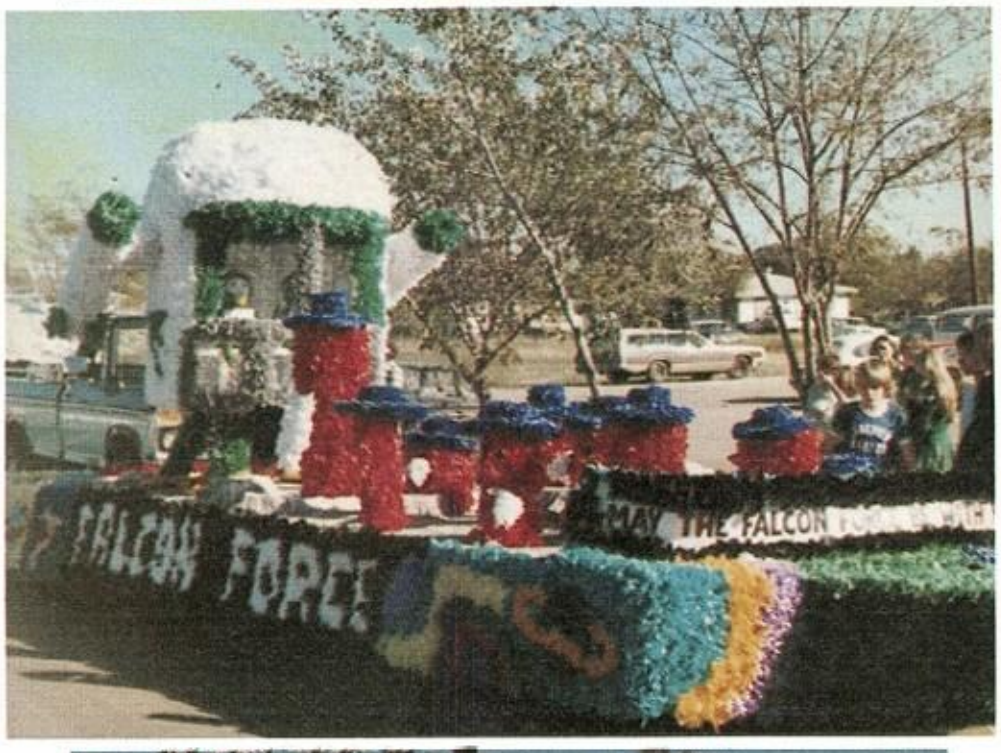
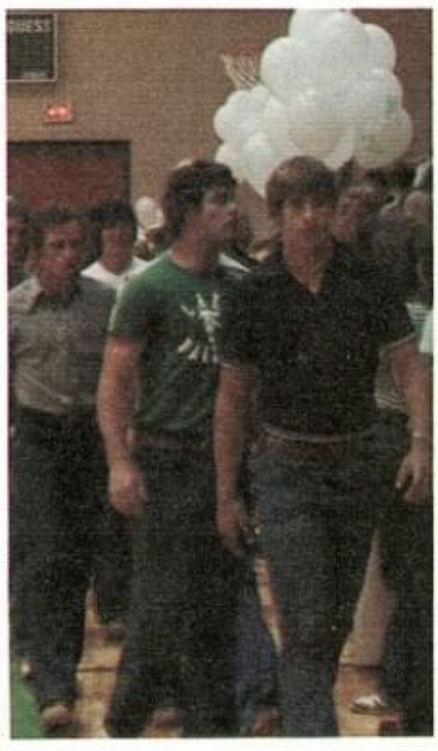
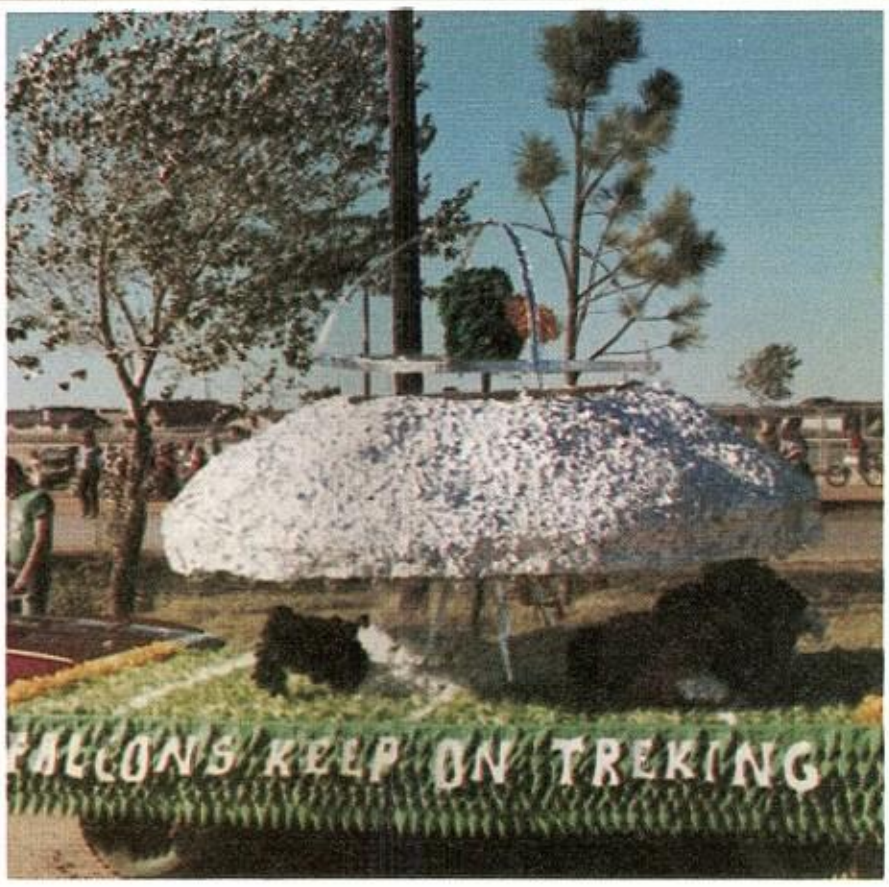
HOMECOMING . . .
A time for bonfire, the hustle and bustle of getting floats finished, and the nomination of Mr. and Ms. Irresistible. Most of all, a time of spirit. For Seniors good times but sad times . . . the last pep rally, last float, and last game.





ABOVE: Tina Webb and Kerry Adkisson were crowned Mr. and Ms. Irresistible.
CENTER: This year's float competition was won by the Juniors. Their theme was "Falcon Force."
RIGHT: The seniors won second place with the theme of "Keep on Treking."



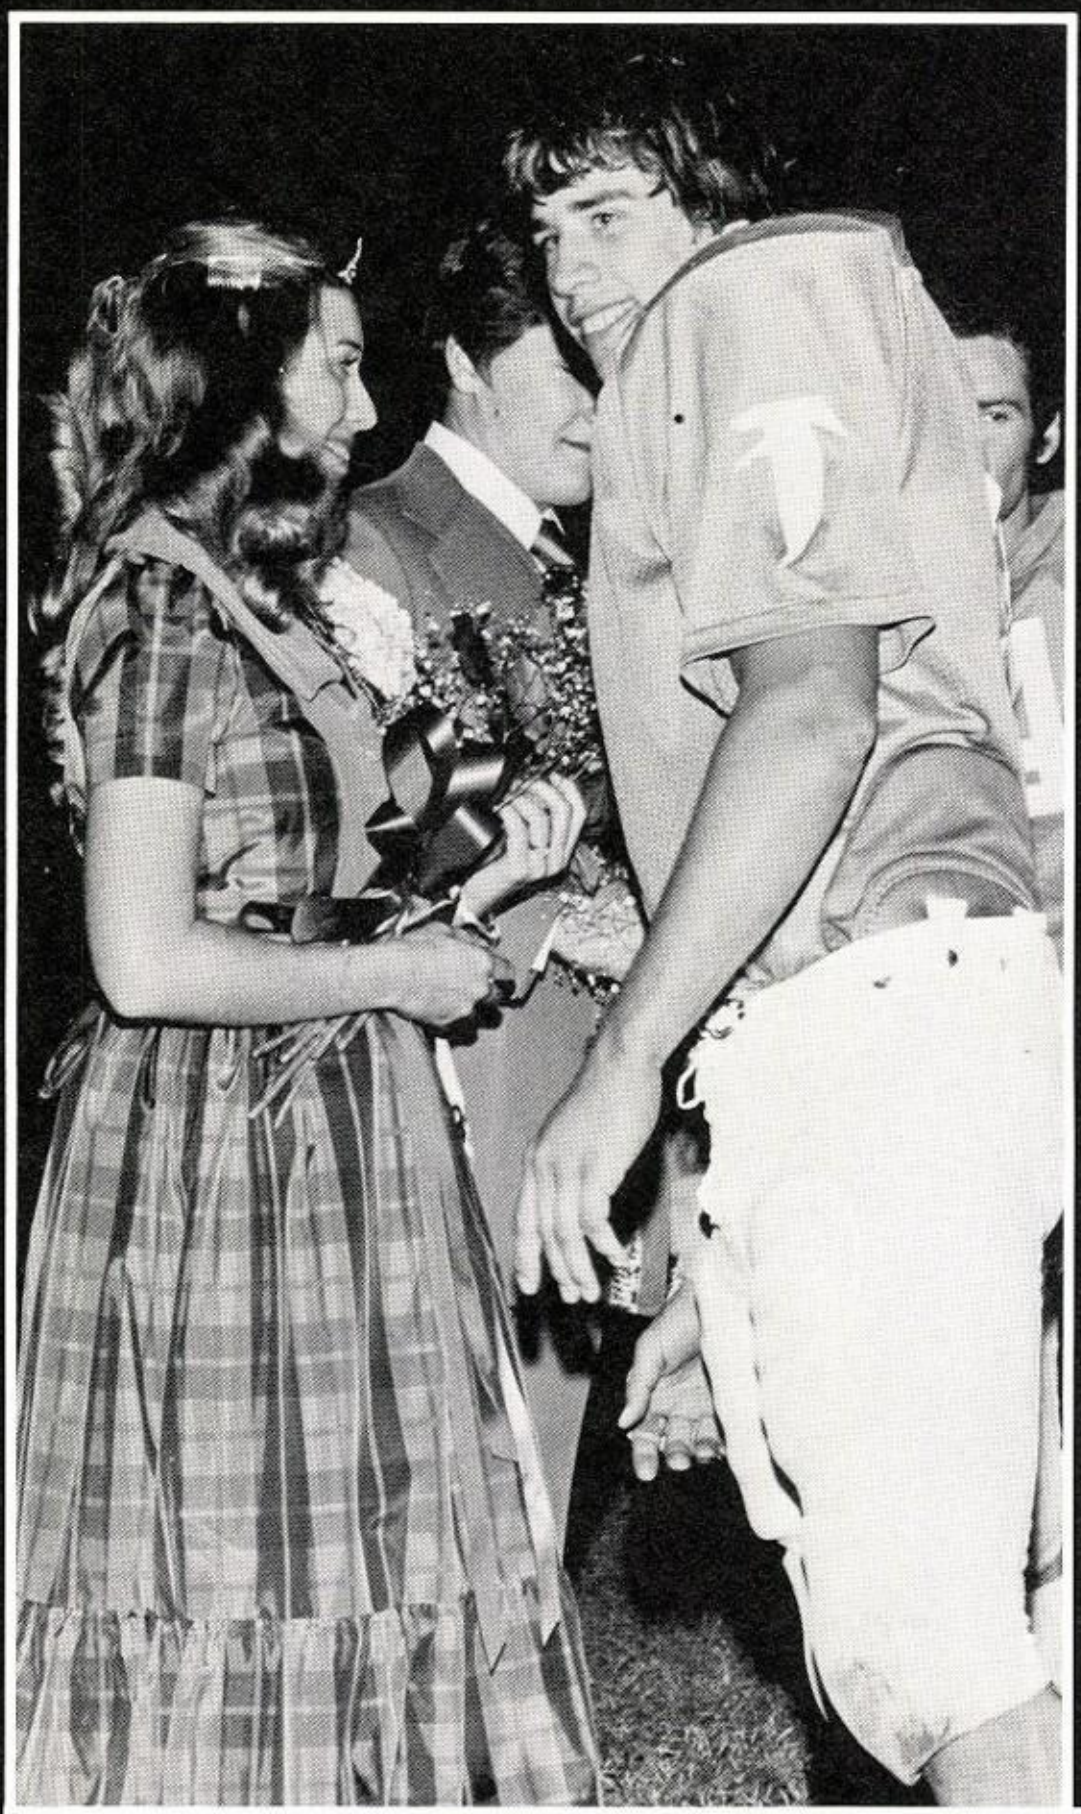
ABOVE: Senior Captains Kerry Adkisson, Brian Gower, and Lee Hunter lead the Seniors to their last pep rally.

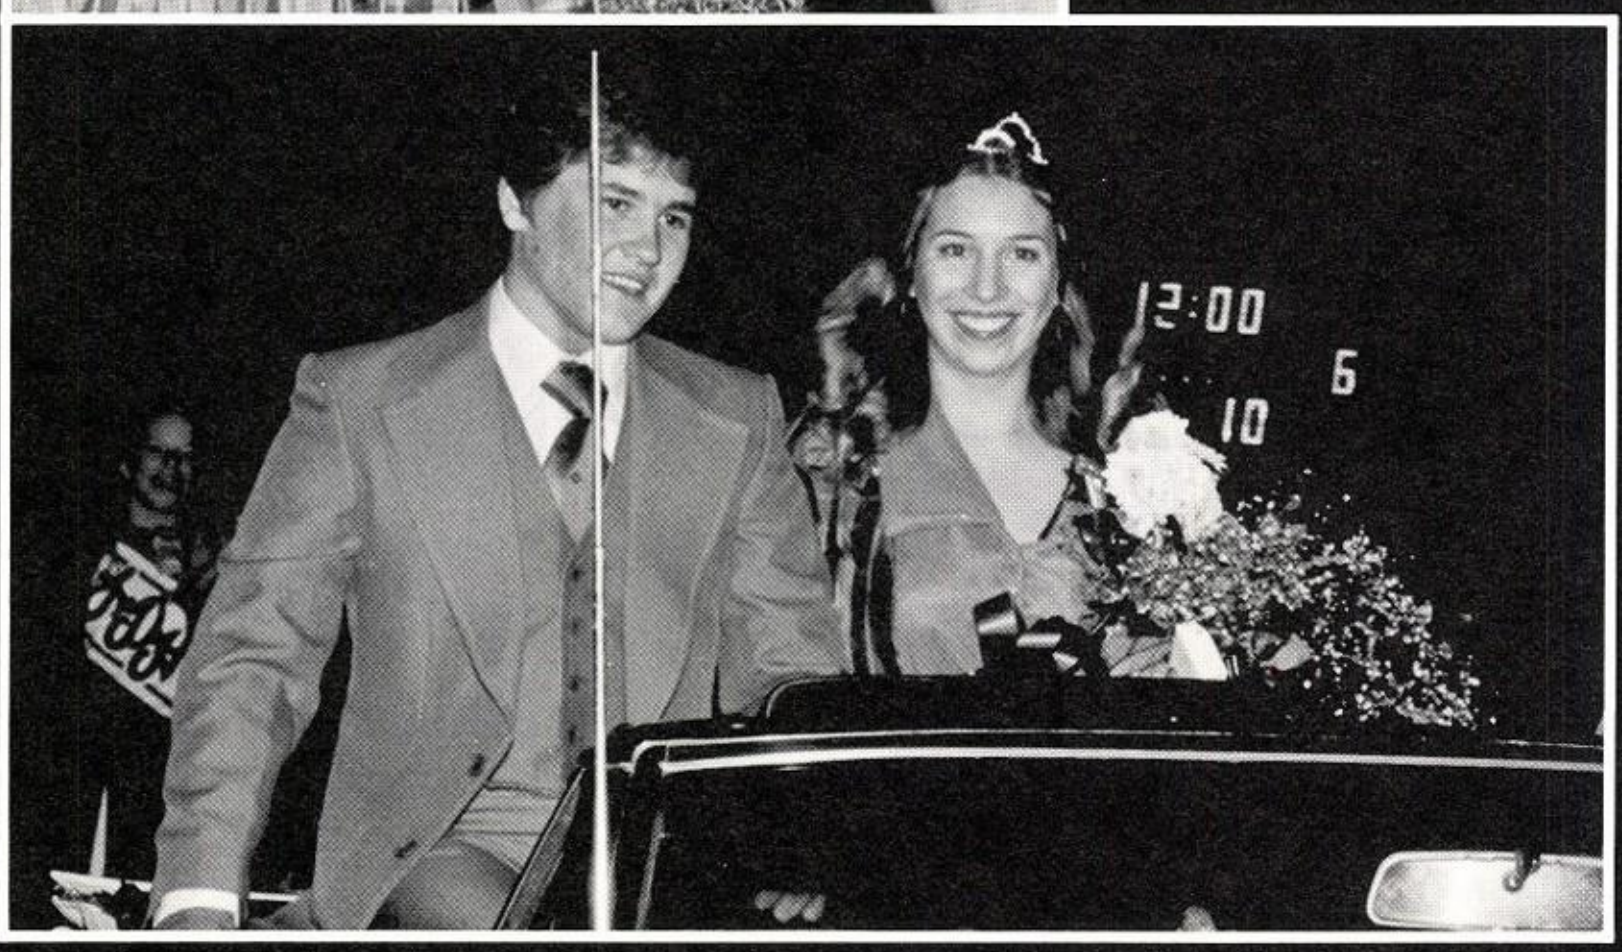
QUEEN DANNA

. . .

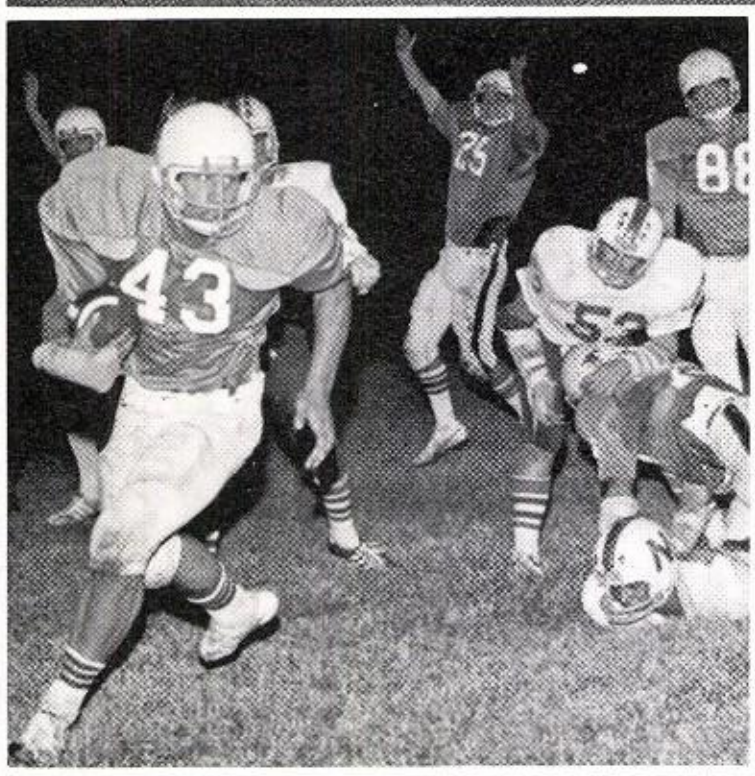
Homecoming queen was chosen by the student body. Danna Hasten, the senior nominee, was crowned during half-time activities. Danna is active in many things such as cheerleader, student council officer and basketball.

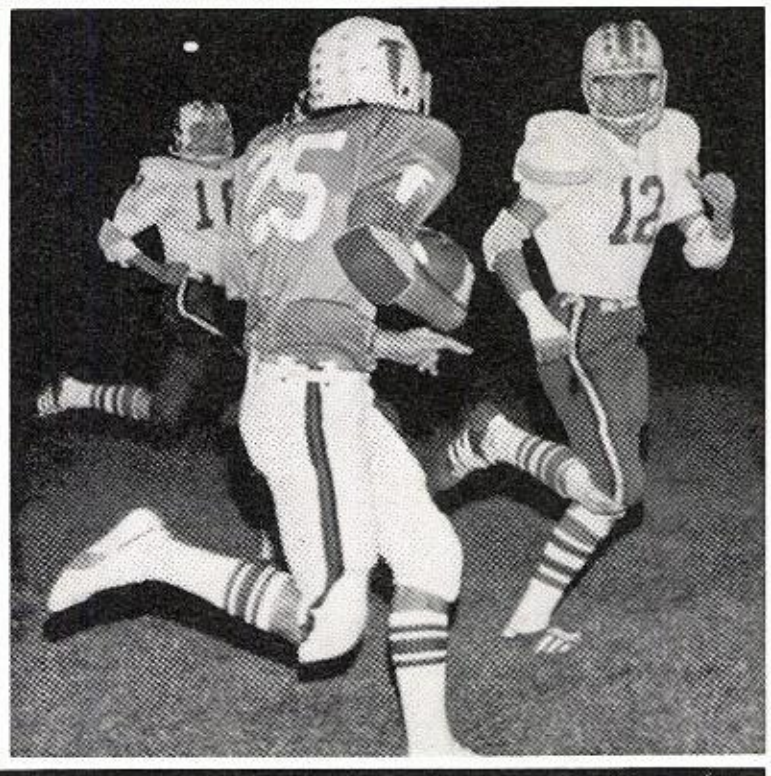
Danna was escorted by Don Byrd. She received crown, roses, and charm from Senior captains Lee Hunter, Kerry Adkisson, and Brian Gower. Along with the traditional kiss from each.

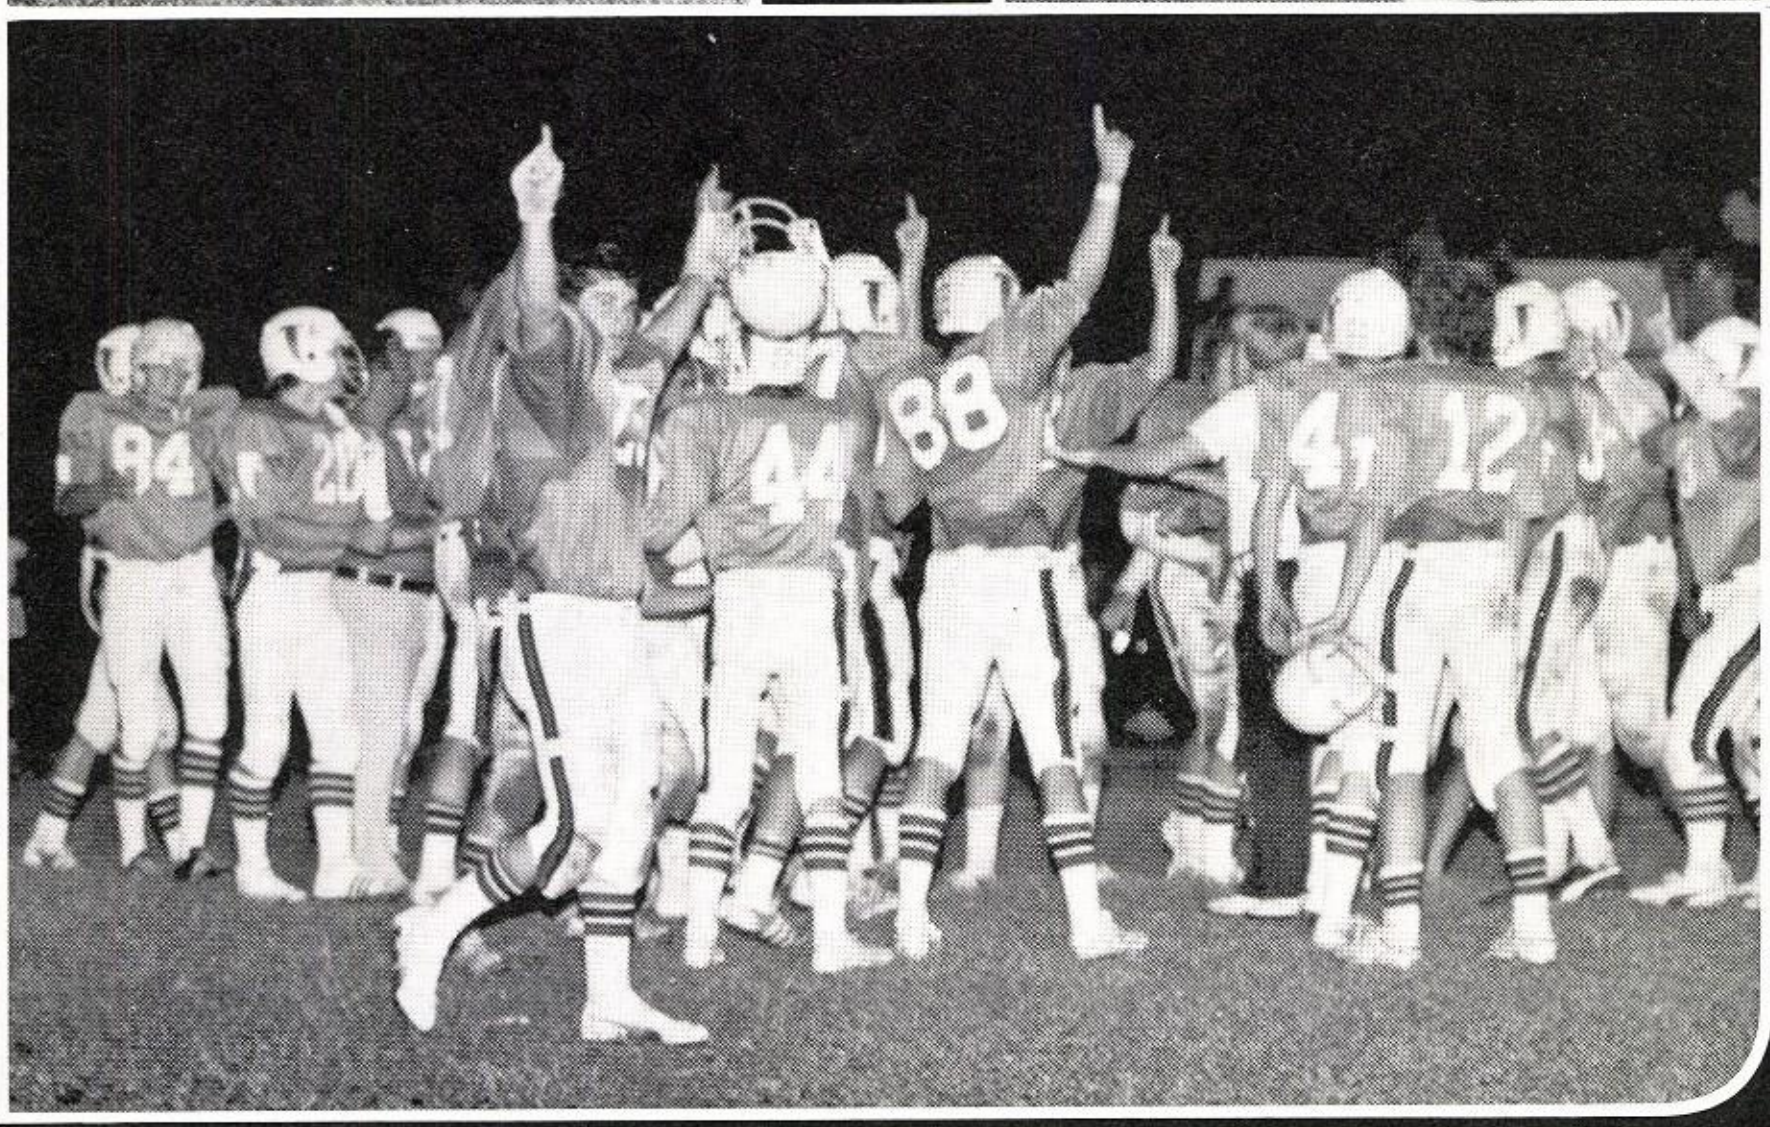




TOP: Danna Hasten receives roses from captain Kerry Adkisson. BOTTOM: Danna and her escort, Don Byrd, ride around the field after she had been chosen.







The Game

. . .

With dynamic force, Falcon players prepare for the last game against Northwest.

MIDDLE LEFT: Second play of the game, Brian Gower charges for first score of the evening. Kerry Adkisson scores 1 of 3 touchdowns in the 4th quarter. BOTTOM: We were No. 1 that night as Lake Dallas defeated Northwest for first time in history. The score was 21-12.

HOMECOMING DAY . . .

Exciting and full of traditions . . . recognition and introduction of senior football players . . . the parade through town . . . Homecoming Dinner prepared by the Junior Class and a new tradition, Senior Sponsor Mrs. Randolph sang to senior football players "Mr. Touchdown."

PEP SQUAD

The Pep Squad is that group of girls sitting in the stands clad in green and white yelling with the cheerleaders to show their spirit. Making cupcakes for the team . . . displaying the school colors with pom-pom routines . . . painting signs to decorate the halls . . . radiating energy which proves contagious to people around. Leane Smith and Susie Rodgers received spirit awards for their sincere dedication.

Falcon Football

The Falcons began the '77 season confident of having a good year. No one was concerned about being considered underdogs in the toughest 2A district in the state.

Lake Dallas finished the first 4 games with a perfect 4-0 record.

Then came Bowie (16th ranked) favored over LD by 22 pts. Half-time was 13-0, Lake Dallas. Several fumbles and mistakes in the 3rd quarter allowed a good football team like Bowie to come back 13-21, with a scoreless 4th quarter for the Falcons.

The next tough game was Jacksboro, the #1 ranked team in 2A football in Texas. The Falcons, picked to lose by 26 pts., were psyched-up as they could be with high hopes for a win over Jacksboro. The Falcons won the tie 7-7 on more penetrations 2-1. This highlighted the season having the opportunity to play the #1 ranked team in the state and being the only team to upset a Jacksboro would-be perfect season of 9-0-1.

"They may have had the better personnel, but we had the better heart for football." — Coach Smith.

Later in the season, Lake Dallas suffered a loss to Bridgeport.

Next, in playing Decatur, LD led the Eagles 14-6 at half-time. Toward the end of the game, 6th ranked Decatur wore LD down destroying Falcon chances for a district title.

Restoring the Falcon pride involved beating Northwest for the 1st time in Lake Dallas history for their Homecoming, finishing the season with a fine proud, 6-3-1 record.

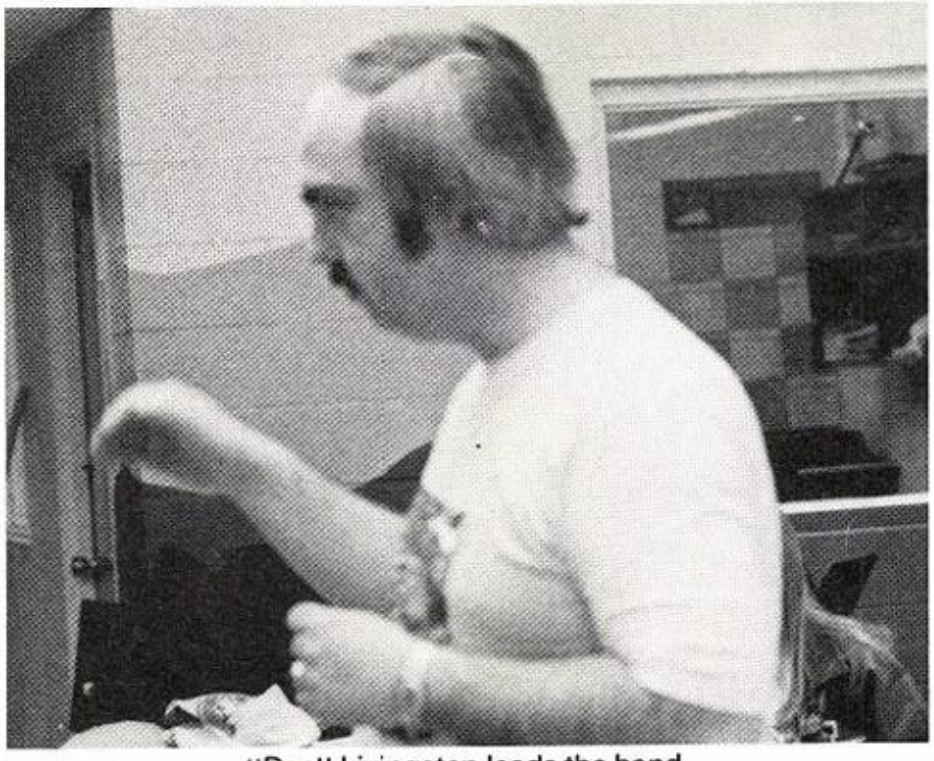
Band Officers

The band officers and council this year voted on many important issues. They decide on all disciplinary actions taken on band members. They also led a project this year of selling candles, and did very well. The officers and council do everything possible to improve and better the band.



"Doc" Livingston leads the band.

Sr. Kim Nelson takes a break during stageband to pose.

David Means plays his solo in "You, Too."

BAND COUNCIL: **Front:** Soph. Rep. — LaJuana Leatherwood, Sec. - – Joann Edwards, Flag Captain — D. J. Campbell, Drum Major — Jolene Walker. **Back:** Jr. Rep. — Amy Davis, Pres. — Darla Warnack, Fr. Rep. — Larry Logan.

Stageband

The stageband participated in many area contests this year. They won third place at the Mountain View contest. They also won first place Tarleton College. Winners of the "All-Star Band" were Eric Themar and Jason Harris. Other award winners were Steve Young and Jolene Walker. The stageband put in many hours of practice this year and we are all proud of their accomplishments.

Jr. Eric "STAR" Themar plays his winning solo in "Broken Promise."

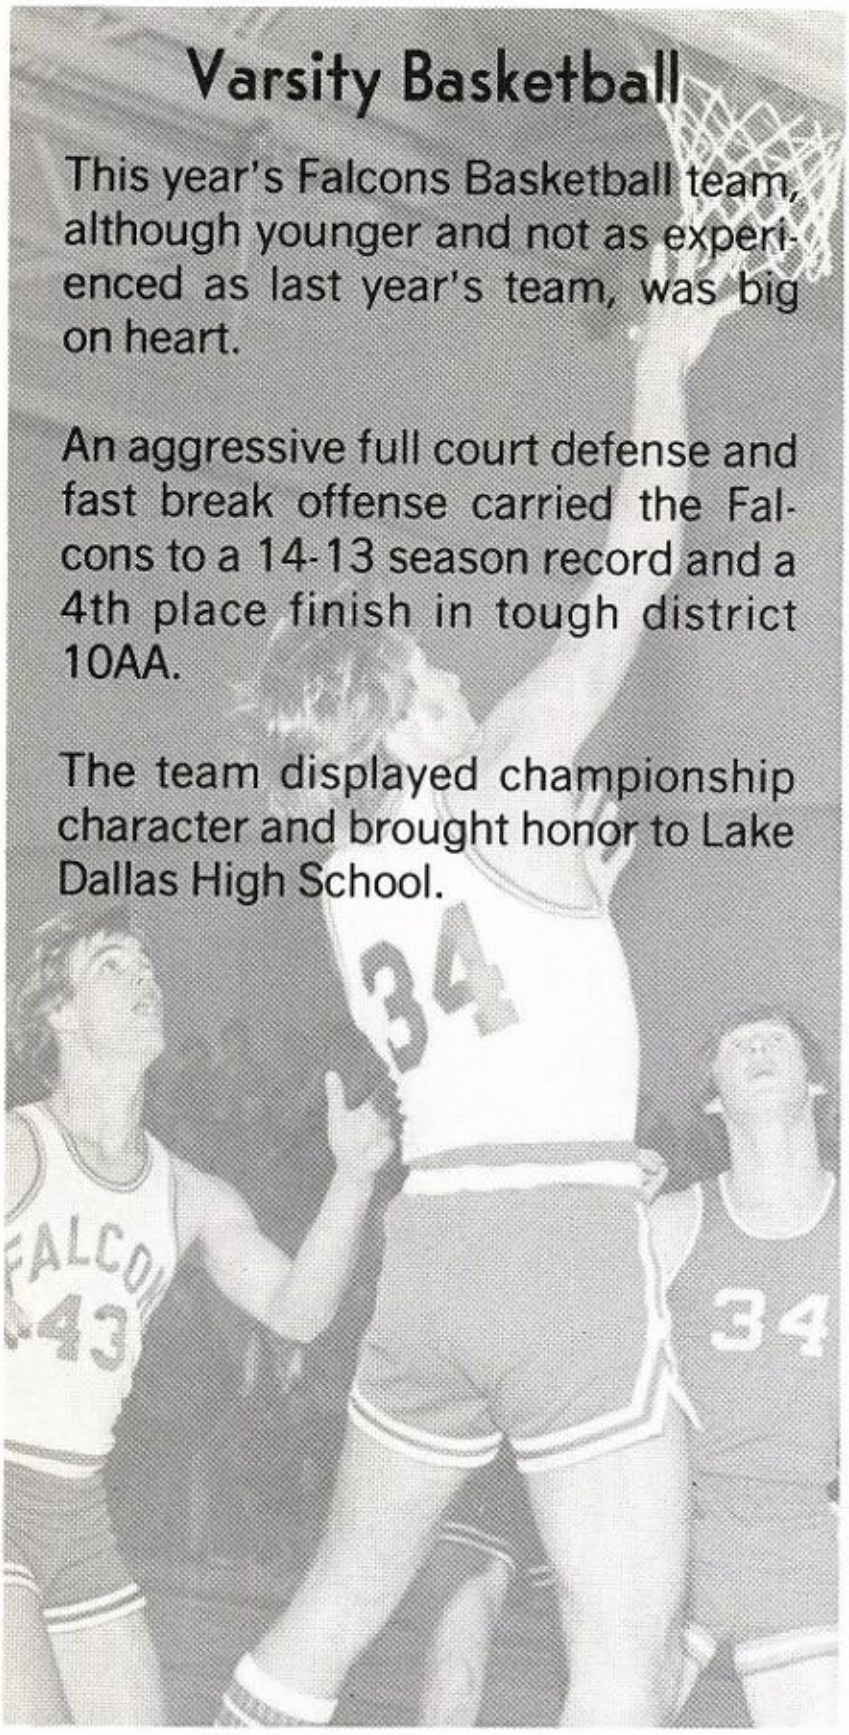
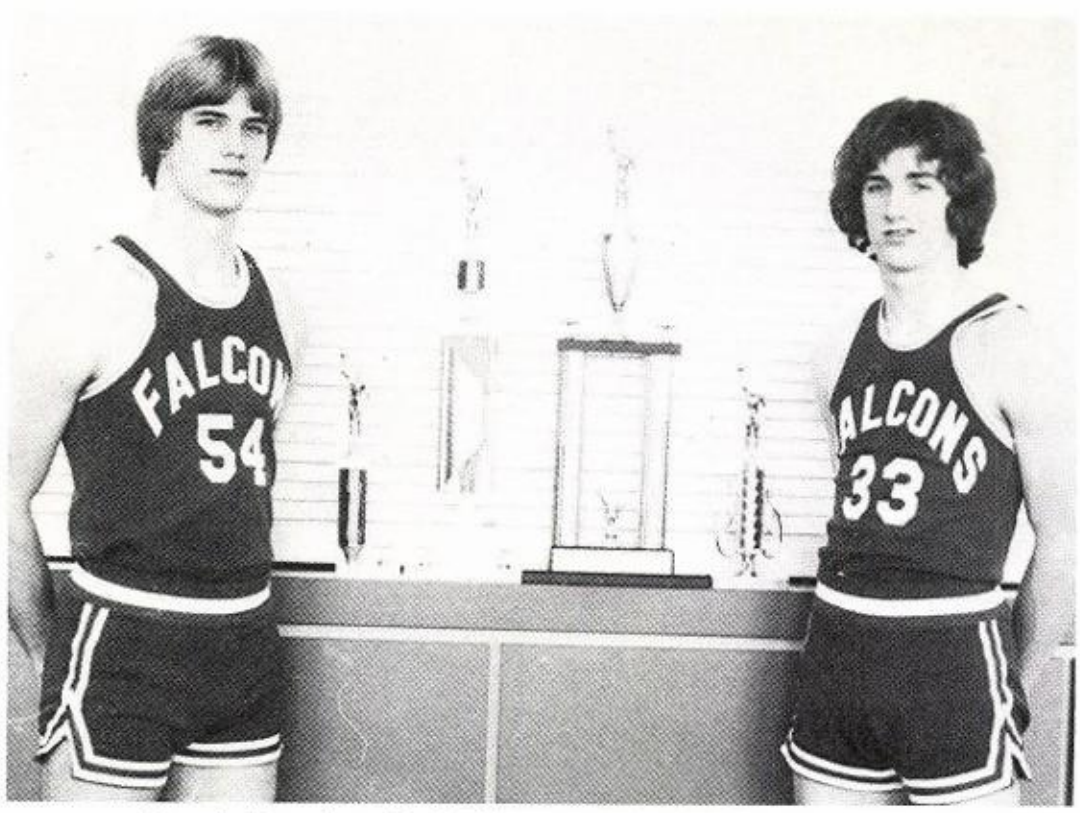
Varsity Basketball

This year's Falcons Basketball team, although younger and not as experienced as last year's team, was big on heart.

An aggressive full court defense and fast break offense carried the Falcons to a 14-13 season record and a 4th place finish in tough district 10AA.

The team displayed championship character and brought honor to Lake Dallas High School.





Dennis Drozd and Keith Hutton receive All District Honors.

David Walker and William Pendergast receive Honorable Mentions.

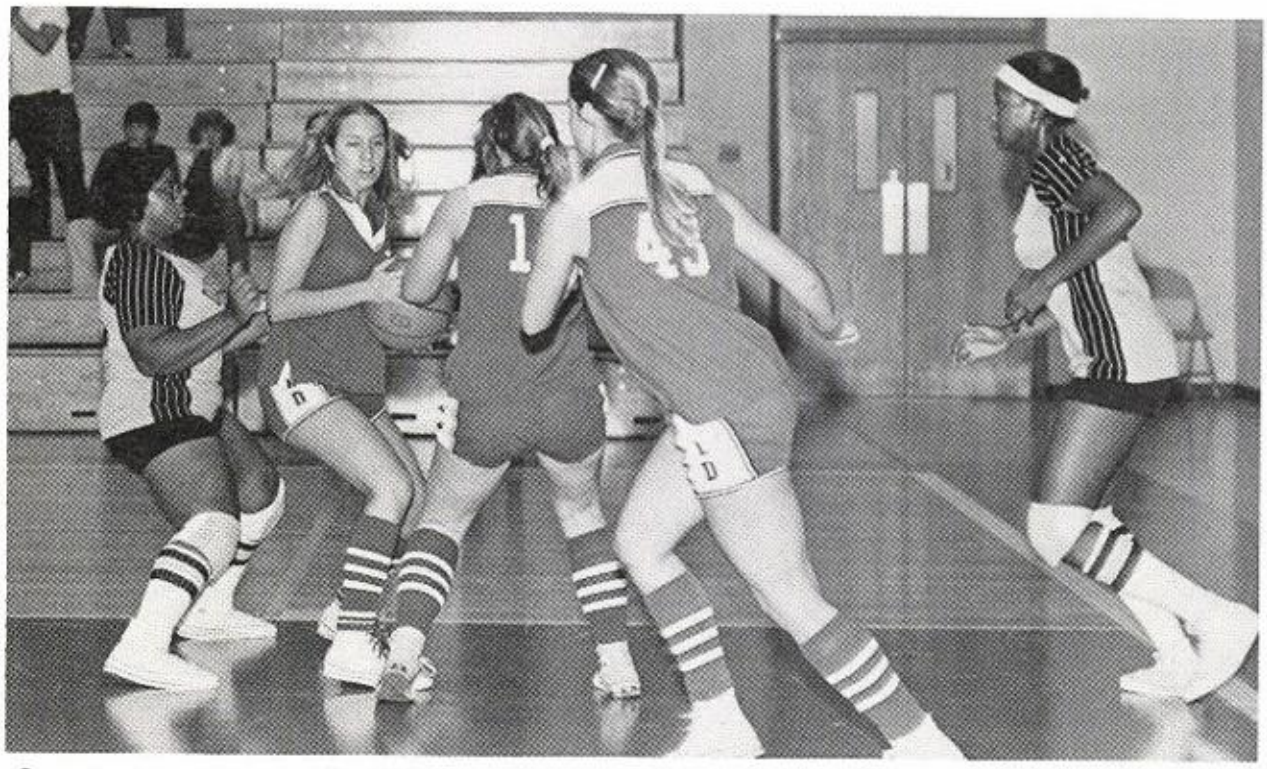
'78 Varsity Basketball

The 77-78 season showed Lake Dallas that the girls basketball team could and would do it. They set their goal for 10 wins, and with victories over such schools as Denton, Denison, Forney and Crowely the goal was easily met.

Four players received awards which lifted the team's spirit greatly. Leane Smith was voted to 2nd team all district, while Liz Murry and "Bogey" Davis, received Honorable Mention. Earlier in the year, Adaa Jane Lee made All Tournament at the Forney Invitational Meet.



Guards Dana Hasten, Kim Nelson and Tina Webb show their team work against 4A Denison.

Forwards Bogey Davis and Ada Jane Lee work together for 2 points against Northwest.

VICTORY!!

J.V. And Freshman Teams

Both Freshman and J.V. teams saw a different side of basketball this year. Coach Ronald Murphy helped give the girls a taste of full court basketball. It was a trying but fun year as the J.V. team won consolation at the Denton J.V. Tournament. The teams finished with a 7-6 record, while team member, Tracy Rector, won "all tournament" at the J.V. meet.

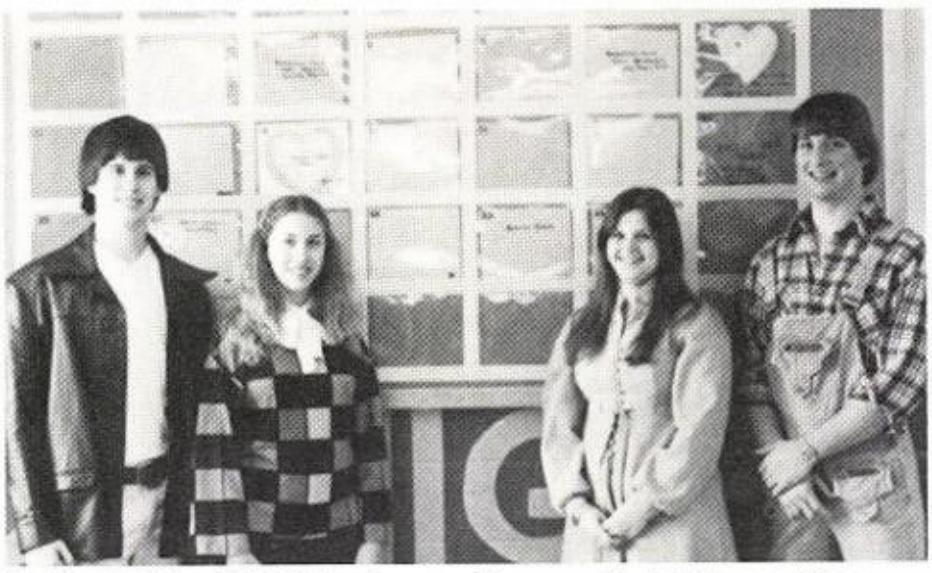
Student Council

The student council accomplished many things this year. Among new things they did was to place a large monthly calendar in the hallway telling of all daily events. A lot of work was also done in the school courtyard that was built between the new part of the school and the gym. Not only did the student council prepare the grounds for plants but also contributed almost $500 toward the trees and plants. They were also responsible for the success of two movies shown in order to raise money for their projects.



In Front of the S.C. Calendar are: Pres. — David Means, Treas. — Dana Hasten, Sec. — Tammy Webb, V.P. — Bill Camp.

Pat Lechner and Larry Logan, Freshman Rep., work on the courtyard beside the new gym.

Falcon Staff

The 77-78 yearbook was designed by this group of students. Much pride was taken in the originality of new ideas and quality in another edition of the "Falcon." Even though it was hard work, there was always time for fun. One of the highlights of the year was the presentation of that new, crazy television show, "The Gong Show," as the theme for the kick off sales of 1978. The annual M.O.N.E.Y. was the slogan meaning Make Orders Now, Enjoy Yearbooks.

"Big Baby" displays her act in the Gong Show for the Sale of Annuals.

Say "Cheese," you're going to be in the annual.

Our sponsor, Mrs. Sue Rucker worked hard this year advising this year's annual staff.

Lake Dallas Public schools reached another milestone in 1977-78, our enrollment surpassed 1,000 students. As our school and community continues to grow, it becomes more important than ever for the school to receive the thoughts and ideas of the students concerning program planning and community development. Then we may better meet your needs and provide for your interests. My wish is for your continued success in meeting the challenges of the future.

It is my desire for every student to achieve two goals. First, and the more important, is an education. The second, a long range goal, a high school diploma. One complements the other.

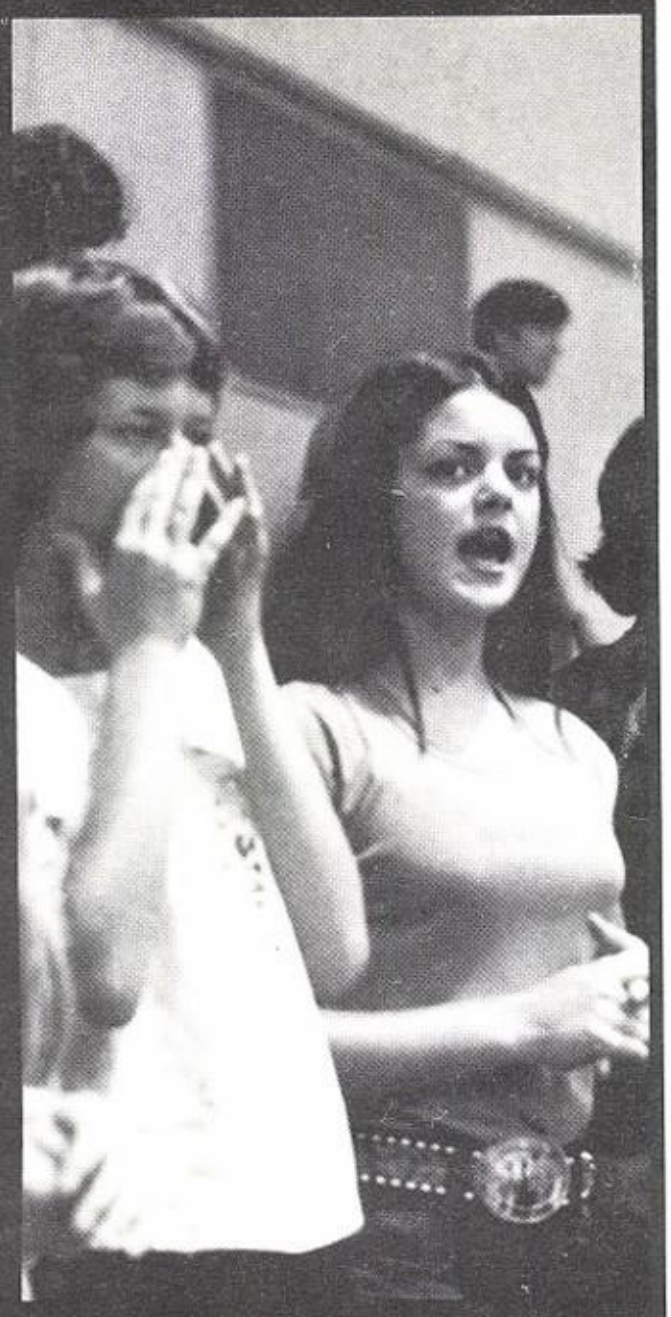
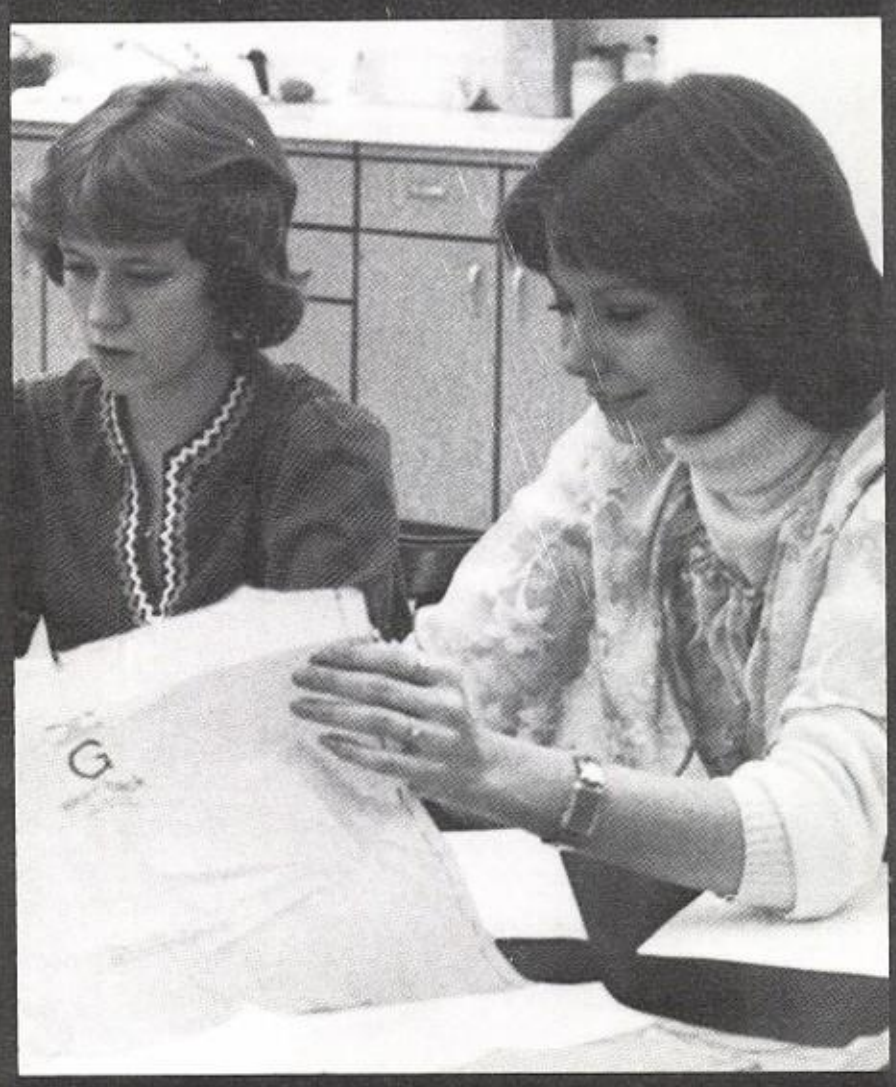
Freshmen

Being their first year in high school, the seventy-seven members of the freshman class anticipated a year of . . . initiations, rigged lockers, and broken limbs. In spite of their fear, the year was filled with fun, laughter, and the ultimate goal of acceptance. Members of the freshman class participated in many school activities such as . . .

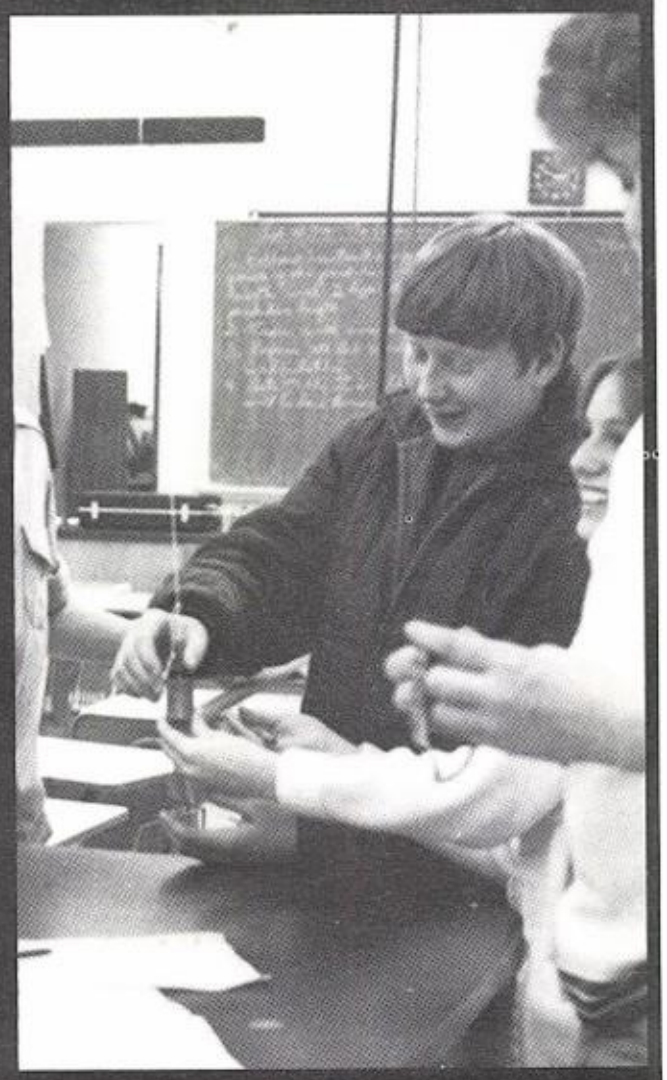
square dancing in the gym . . .



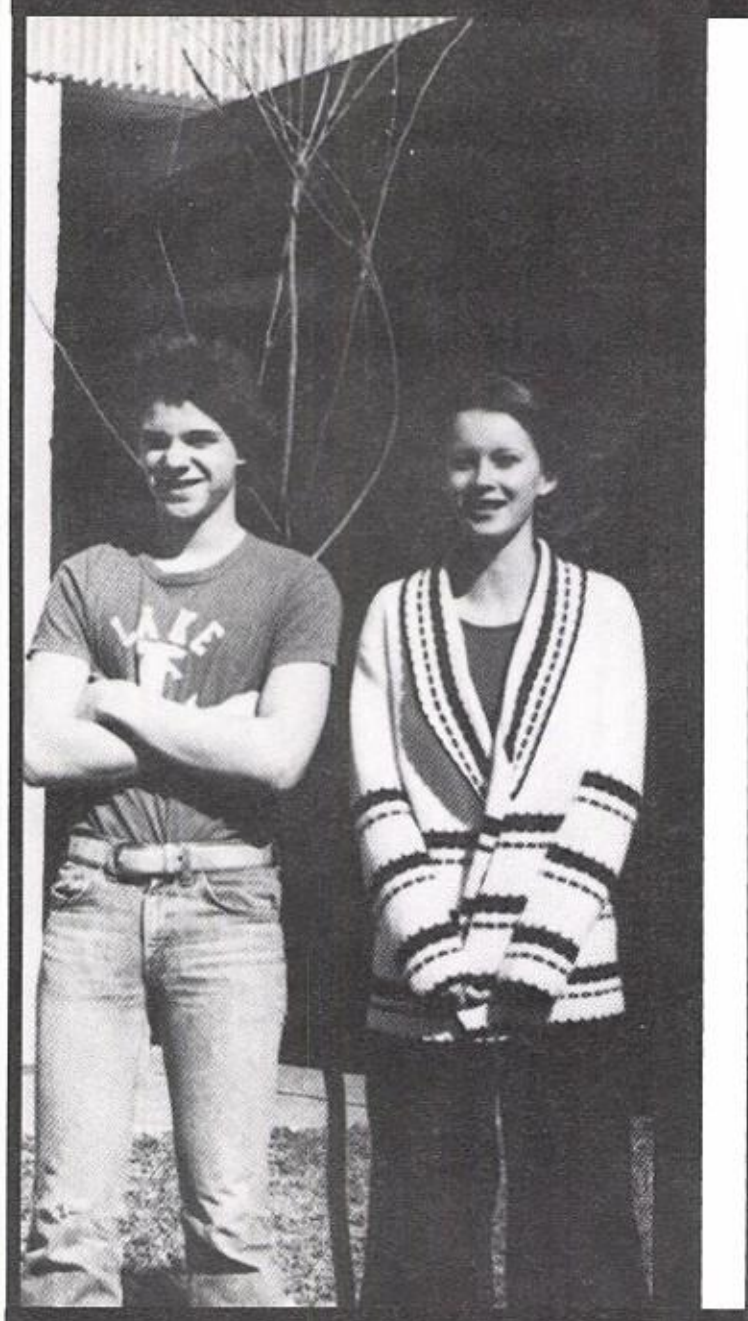
showing school spirit . . .



sewing and other skills in Home Economics . . .



and doing experiments in the science lab.



Larry Logan and Patti Lechner

The Freshman class officers showed their ability to participate in school activities by organizing some money raising projects for their class. One of their projects was a dance held after a football game. They also sold cow bells at the Homecoming game.

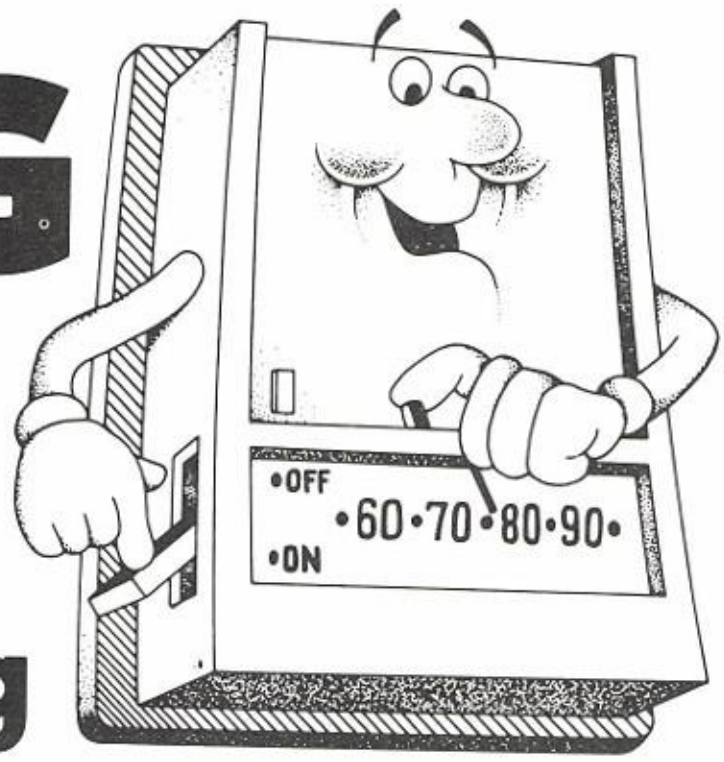
SAVING TIPS on electric air conditioning



Air conditioning provides lots of comfort during the summer months, but for many thousands of homeowners it is also the biggest factor in the cost of electricity. On the average, air conditioning accounts for about half of summertime electric bills.

Here are ways you can hold down the cost of air conditioning and still enjoy its comfort.

Central Systems

1. Set thermostat on 78°, or higher, during the summer. Turn unit off if you'll be away from home several days.
2. Keep equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
3. Check filter every 30 days. Dirty filters cause equipment to use excessive electricity. If filter is permanent, clean by manufacturer's directions; if it's disposable, it should be replaced when dirty.
4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
5. Close draperies and blinds to keep out direct sunlight.
6. Keep fireplace damper closed.
7. Proper home insulation keeps the heat out, cuts energy use. Insulation questions? Call TP&L.
8. Shade on roof and walls can reduce energy needed to cool. But trim trees, shrubs away from outside compressor unit. Keep it free of leaves, debris. If air flow is blocked, unit uses more energy.
9. Weatherstrip doors and windows; caulk cracks to prevent drafts and cool air loss.
10. Keep windows closed. Open outside doors as little as possible.

Window Units

Follow above suggestions, plus these:

11. Buy units with *highest* "energy efficiency ratio" (EER). Uses less electricity to cool. If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity. Both figures are on unit.
12. Place unit where it'll get as little direct sun as possible.
13. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.
14. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.

LAKESHORE Baptist

The fool says in his heart, "There is no God." But God looks down from heaven upon the sons of men to see if there are any that are wise, that seek after God. (Psalms 53:1-2)

The road to true wisdom is the most challenging. However, it is the one with eternal value. Lake Shore Baptist Church urges you to continue the search that is most rewarding.

Congratulations to the graduating class of 1978. We all recognize the fact that life for you will never be the same. You will be called upon to make decisions that will affect the rest of your life. Some of these will be easy while others will be difficult. As a minister in the church I say to you, we do care and stand ready to rejoice with you in triumph and cry with you in times of trouble. Life is an adventure into which we wish you Godspeed.

Yours in Christ,
John Peel

Dear Seniors:

WISDOM — JOY

How does a man become wise? The first step is to trust and reverence the Lord!

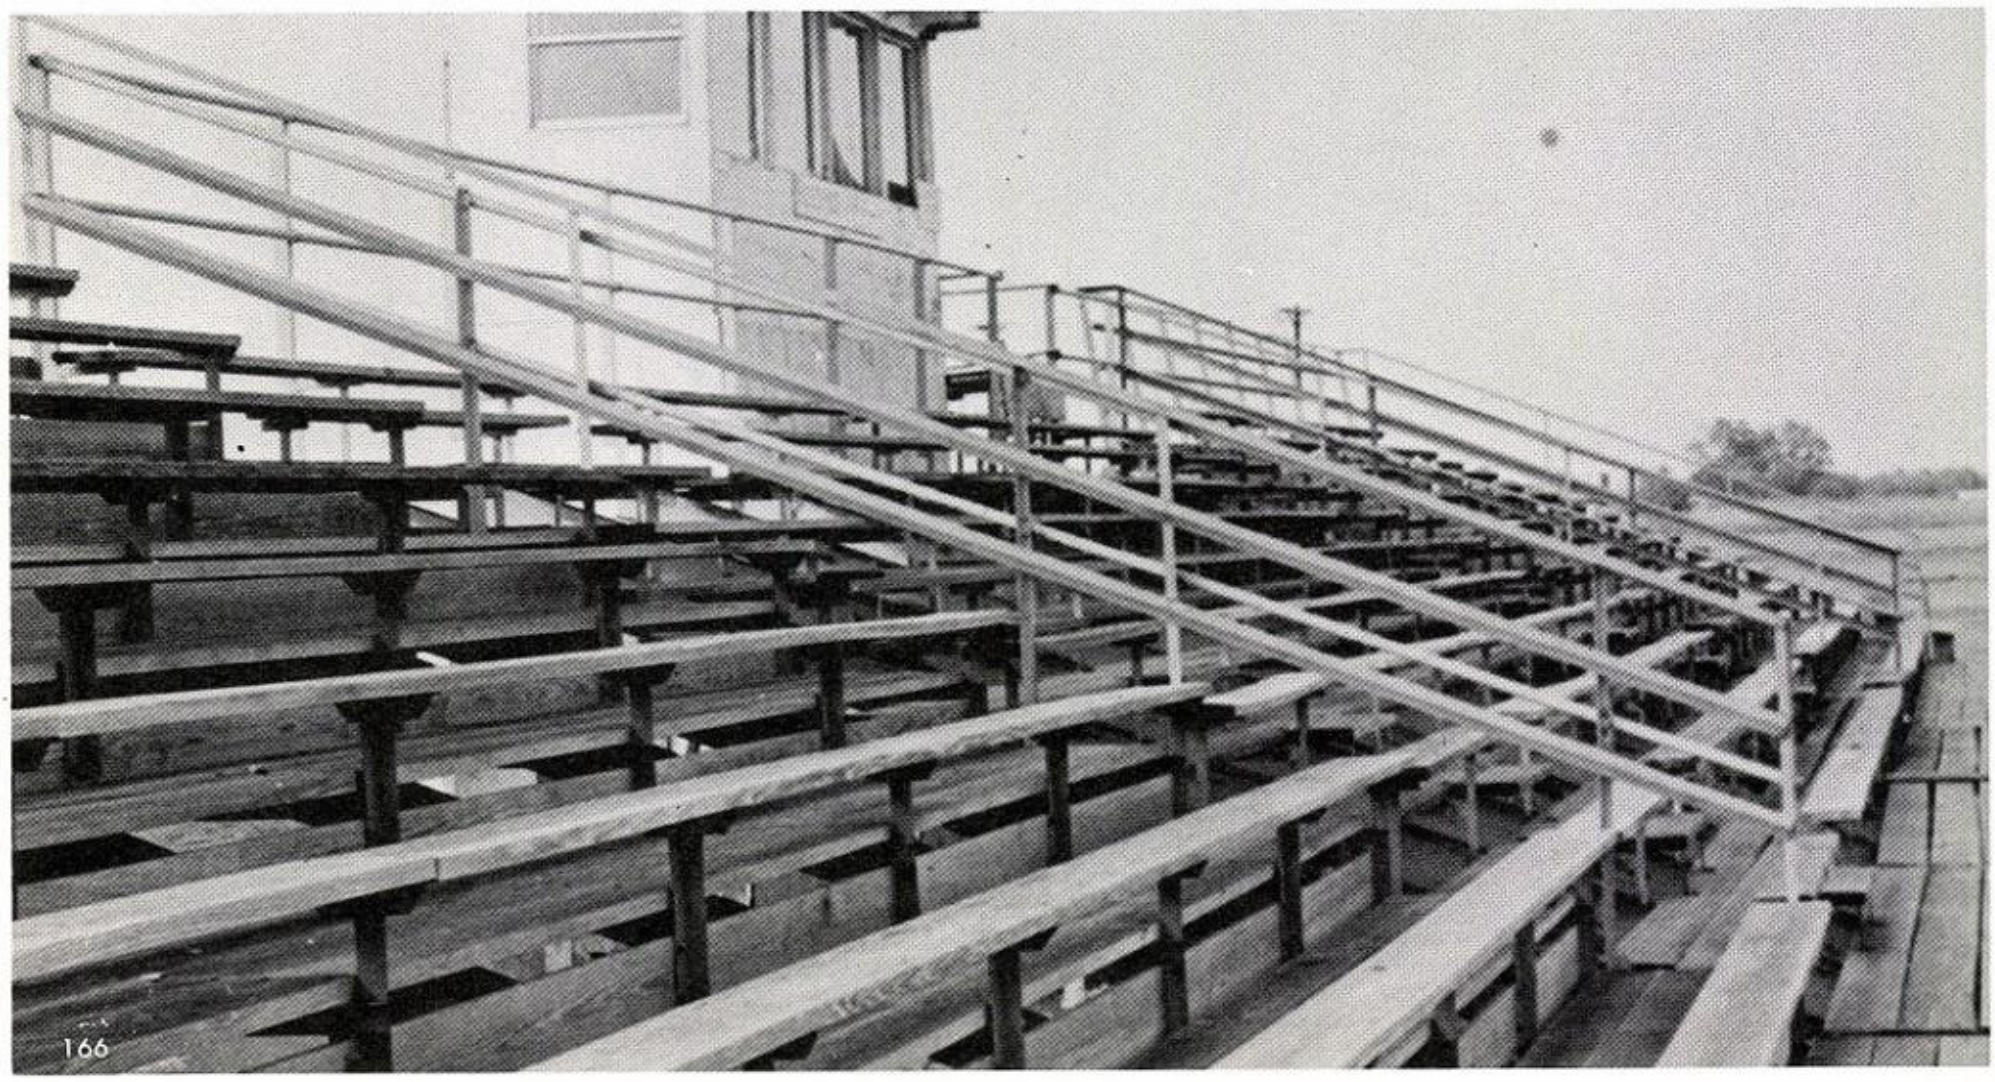
Proverbs 1:7-9

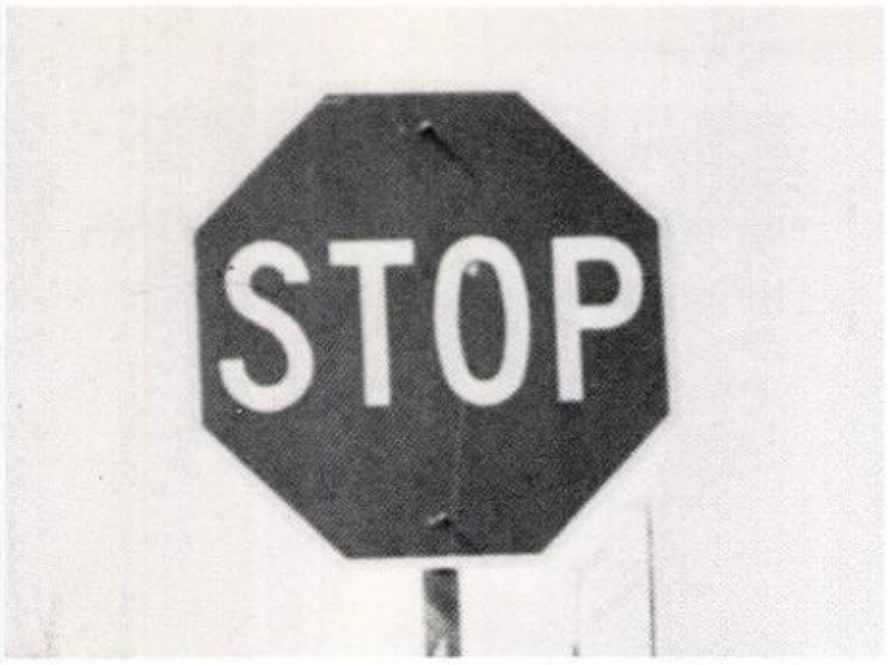
He shows how to distinguish right from wrong, how to find the right decision every time. For Wisdom and Truth will enter the very center of your being, filling your life with Joy.

Proverbs 2:9-10
Living Bible

Love,
Mrs. Sue Rucker

To everything there is a season . . . and a time to every purpose under heaven . . . Ecclesiastes 3:1





. . . now is the time for new directions . . . STOP . . . to remember all our "happy days" . . . To reflect on everlasting friendships that were made . . . to reminiscence on the battles won and lost . . . coming and going we pass each other in our daily routine . . . waving . . . laughing . . . smiling . . . still moving on . . . One Way is the road we have been traveling all together . . . knowing one day our paths will separate . . . some will take the road home . . . others will choose college life . . . but still others will turn off onto the Business Route . . . while some will exit onto the Interstate highway to roads unknown . . . adventures unlimited . . . who knows . . . maybe one day our tracks will meet . . . and again we can stop and remember what we have shared in this school year of 1978.

The sun sets on another day . . . and another year . . . but for the seniors, it means much more . . . an end to the familiar atmosphere . . . twelve long years of hard work finally pay off . . . yet it is the beginning . . .new challenges . . . new responsibilities . . . anxious for a different way of life . . . leaving Lake Dallas High physically . . . but never mentally . . . lingering memories of 1978 . . . new gym . . . library . . . courtyard . . . tieing no. 1 rated football team, Jacksboro . . . snow . . . and more snow . . . breaking the record with 18 inches . . . postponing graduation until June 1 because of the snow . . . the death of Elvis . . . King of Rock . . . Bing Crosby . . . and Charlie Chaplin . . . from our coccoon, we change from students into young adults ready to try our wings into unknown horizons.
